Arizona Fall League Announces 2008 Rosters

Phoenix, Arizona — The Arizona Fall League announces its rosters for the 2008 season.

Roster size is established at 35 players per team.

Each major-league organization is required to provide seven players subject to the following eligibility requirements:

- All Triple-A and Double-A players are eligible provided they are on Double-A rosters no later than August 6.
- One player below the Double-A level is allowed.
- Foreign players are allowed as long as the player is not on his native country's protected player list.
- No players with more than two years of credited Major League service as of August 31 (including Major League disabled list time) are eligible except a team may select one player picked in the most recently concluded Major League Rule 5 draft.
- To be eligible, players on Minor League disabled lists must be activated at least 45 days before the conclusion of their respective seasons.
- Each team is allotted 20 pitchers but only 15 are designated "eligible" each game day.

The Fall League begins its 17th season on Tuesday, October 7. The league will play 12:35 p.m. and 7:05 p.m. games six days per week (Monday-Saturday) in five Phoenix-area Cactus League stadiums (Mesa, Peoria, Phoenix, Scottsdale, Surprise), concluding with the annual league championship game on Saturday, November 22. The third annual "Rising Stars Game" is scheduled for 7:15 p.m. on Friday, October 24 at Surprise Stadium. All games during the World Series will be day games.
