Physical Description: Great ath body, very live, coordinated & strong. Wide shoulders to V-torso. Muscular bow legs. Built for spd & pwr. BB face. Absolute clone of Craig Biggio, both phys & playing abil.

Injury/Medical Update: [REDACTED]

Abilities: Quick, compact, pwr stroke. Ball jumps off bat. HR pwr all fields. Works count. Tough out. Spd to stretch hit. Outf insts. Covers gaps. Acc, playable arm. Base steal pot. Hard-nosed, gets dirty.

Weaknesses: Sm bat wrap. Too selective. Needs only minimum fine tuning, will surely blossom as pro. Pitches too, no prospect. Also rpt on as a 2B, profiles best in CF. Just needs to play, dev & refine game.

Summation: He's a ballplayer, ez to write up a 5-tool plyr. Sky's the limit. Fun to watch play. Versatile enuf to play 3B/2B. Plays game right. Premier make-up. Col not an option, wants to sign, parents agree.
