

FIELD GENERAL ADMISSION TICKET HOLDER INFORMATION – LOTTERY

Thank you for purchasing tickets for the upcoming Bruce Springsteen and The E Street Band concert at Citizens Bank Park. As a Field General Admission ticket holder, you will have the opportunity to enter a lottery to have the chance to be the first to enter the General Admission area the night of the show. *Please note this procedure will take place prior to both shows on Wednesday, September 7 and Friday, September 9.*

If you would like to participate in the lottery, please see below for instructions:

1. This procedure is for Field General Admission ticket holders who wish to have the chance to be the first to enter the General Admission area on the field. Anyone who has a Field General Admission ticket will be in this area. This is a voluntary entry procedure lottery.
2. **2:30 PM** – On the day of the show(s), sequentially numbered wristbands will be distributed beginning at 2:30 PM at the **LEFT FIELD GATE**. Approximately 1,500 wristbands will be distributed. If you have a wristband, you do not need to stay in line at the gate. You must be back for the random number selection at 4:30 PM.
3. **4:30 PM** - A starting number will be randomly picked at 4:30 PM, announced and displayed at the **LEFT FIELD GATE**. All patrons with Field General Admission tickets and a wristband should begin lining up in numerical order beginning with the announced number. This line will be escorted into the front General Admission area in front of the stage. This will be prior to Field General Admission ticketholders who do not have wristbands yet.
4. The starting number that is drawn randomly at 4:30 PM, will be picked by a fan. The patron holding the wristband that matches the starting # number drawn will be first in line (i.e. if #'s 1 - 1500 were issued and number 818 was drawn, the line would start with 818, then 819, 820, 821 through 1500 then 1-817). When the starting number is announced, the line will shift accordingly.
5. If you arrive after the wristbands have been distributed or after 4:30 PM, you can line up in a secondary line that is first-come, first-served. There is no place-holding (“saving spots”) in this line. One person=one spot. If you want to enter the field with a group, you need to all be together when you join the line. Entrance to the venue will be allowed when all gates open at 6 PM.
6. Large bags, backpacks and coolers are not permitted in the line. If you bring provisions with you for your wait in line, use disposable bags that can be thrown out before you enter the venue. Please review the list of [Prohibited Items](#) so that entry can be expedited.
