

Dear Friends:

It is my pleasure to host the seventh annual Vegas Night on Friday, January 20, 2017 at the Virginia Beach Convention Center to benefit Children's Hospital of The King's Daughters (CHKD). It's been fun and exciting to host this event to benefit my hometown Children's Hospital.

Children's Hospital of The King's Daughters is a special place of hope and healing for thousands of children each year. I have visited CHKD many times and spent time with patients and families who continually inspire me with their courage and resilience. I am proud and pleased to be associated with such a wonderful organization and special people.

Attached are the details for sponsorship opportunities. In addition to sponsorships, we need items for a silent and live auction. And of course, I would be delighted to see you at the event. The "6th Annual" was a great success, raising more than \$201,000! With your support, we can make the upcoming event even better than ever as we go "all in" for the kids!

I appreciate your consideration of my request for your support. If you have any questions, please do not hesitate to call Karen Gershman (757-668-7343) or Whitney Huston (757-668-9066) at CHKD.

Most sincerely,

David Wright  
President and Founder  
David Wright Foundation
