SEATTLE MARINERS in the Community
Our mission is simple:

To support youth-oriented community service programs and other worthy projects in the Pacific Northwest.
One of the key aspects of the Seattle Mariners’ presence in the Pacific Northwest is the team’s commitment to give back to the community. Major League Baseball provides wonderful opportunities for the Mariners, our fans, our players, our corporate partners, and our staff to make a positive impact on the quality of life in the Northwest, especially for children.

Through Mariners Care, the Mariners’ non-profit foundation, over $817,000 was raised for youth programs in 2009. In addition, Mariners Care programs were able to benefit hundreds of charities in our community and thousands of youngsters were able to attend a Major League game. I am particularly proud of our players, coaches, and staff who personally supported these activities with hundreds of volunteer hours.

Mariners Care is committed to making the Pacific Northwest a better place for our children to grow up by impacting youth-oriented community service programs and other worthy projects with the support they desperately need and deserve.

The Mariners wish to thank everyone throughout our community who has been a part of Mariners Care. The story is captured on the following pages and we hope you will join us in our continuing efforts to expand the work of Mariners Care.

Warmest regards,

Howard Lincoln
Chairman and Chief Executive Officer

On August 7, Mariners Care, The Evergreen State College, and Seattle Central Community College teamed up for the eighth annual Jackie Robinson Scholarship Night. Three students, Jean-Masse Buchanan, Farhiya Mohamed, and Tinashe Rusike were awarded scholarships for undergraduate tuition at Evergreen for their outstanding academic achievements, community involvement, and demonstration of the ideals of quality and acceptance exemplified by Jackie Robinson throughout his career.

Verizon Wireless Refuse To Abuse Campaign

The Mariners and the Washington State Coalition Against Domestic Violence have teamed up since 1997 to support the “Refuse To Abuse” campaign, a season-long awareness campaign designed to encourage a commitment to prevent violence in intimate relationships. The campaign features radio and print public service advertisements, in both English and Spanish, and delivers the message that we should, “speak up and not be silent about domestic violence.”
Mariners Education Day

On May 19, the Mariners held their twelfth annual Mariners Education Day. Mariners players, coaches, and broadcasters separated into six groups and visited six different elementary schools around the Seattle area. The Mariners spoke to kids at Lawton, McMicken Heights, North Hill, Endeavour, Carriage Crest, and Puesta del Sol about the importance of education and adhering to the Mariners’ D.R.E.A.M. Team principles. The event enabled the team to deliver a positive message to over 3,100 students in one day.

“Everybody went and had fun. It was a good day for us.”
—Don Wakamatsu on Mariners Education Day

Mariners-Nikon Social Responsibility Program

Nikon and the Mariners provided select Puget Sound area elementary schools with the opportunity to attend a Mariners game and receive new digital cameras for use in their creative arts programs. The digital cameras and ticket donations, valued at $17,000, benefited students at 18 different schools.

Aquafina Pitch, Hit & Run

Aquafina Pitch, Hit & Run, Major League Baseball’s official youth skills competition, is a grassroots program for boys and girls, ages 7-14, that recognizes individual excellence in core baseball skills. Winners from each of the four age divisions (7-8, 9-10, 11-12, & 13-14) can advance through four levels of competition, including Local, Sectional, Team Championships, and the National Finals at the MLB All-Star Game. In 2009, the program reached over 600,000 kids nationwide.

On June 21, the Mariners were pleased to host the 2009 Seattle Mariners Team Championship at Safeco Field featuring kids from Washington, Oregon, Idaho, and Montana.

Reviving Baseball In Inner Cities (RBI) League

Mariners Care, together with the Boys & Girls Clubs of King County, Baseball Tomorrow Fund, and Teammates For Kids Foundation, sponsored the 16th season of the Seattle RBI League in 2009. RBI offers inner-city boys and girls, ages 8-18, the opportunity to learn and enjoy the game of baseball and softball by providing them with a safe, organized athletic program. The RBI League also features a life skills training program that concentrates on citizenship and academics.

Baseball Tomorrow Fund Equipment Day

On July 12, the Seattle Mariners and the Baseball Tomorrow Fund held the fifth annual equipment collection drive at Safeco Field to support the growth of youth baseball and softball in the Pacific Northwest. With the help of Mariners third baseman Adrian Beltre and second baseman Jose Lopez, fans were encouraged to bring new or gently used equipment to the ballpark. All collected equipment benefited the Boys & Girls Clubs of King County and the Seattle RBI League.

In addition, the Baseball Tomorrow Fund, a program that funds new fields, equipment, and uniforms to youth baseball and softball programs, presented the Boys & Girls Clubs of King County with a $5,000 grant toward the purchase of new equipment.

**Cystic Fibrosis Mariners Care Golf Tournament**

The Cystic Fibrosis Mariners Care Golf Tournament, held annually since 1986, has helped the Cystic Fibrosis Foundation in their on-going efforts to find a cure for CF, a fatal disease afflicting children and young adults. The 2009 tournament, led by co-chairs Mark Lowe and Ryan Rowland-Smith, was held at The Golf Club at Newcastle on June 22, and raised over $180,000 for CF research. To date, over $4,400,000 has been raised through the Cystic Fibrosis Mariners Care Golf Tournament for the CF Foundation.

> “Any time they ask me to be a part of something like this, I’m going to put my hand up straight away. It’s a good cause, and it’s good that everyone’s out here doing this.”

— Ryan Rowland-Smith
“The children I’ve met through the Make-A-Wish Foundation never give up. And that’s the attitude everyone should take. No matter what life throws at you, don’t ever give up chasing your dreams. When I’m with these kids, I just want them to have fun so I do everything I can to make sure they do.”

Seattle Mariners Caravan

The Seattle Mariners Caravan hit the road January 7-23, visiting Mariners fans of all ages in 17 communities across the Pacific Northwest. On the tour, Mariners players, coaches, and broadcasters visited kids at elementary schools, hospitals, and Boys & Girls Clubs and hosted complimentary autograph sessions for the public. Fans also had the opportunity to meet and have their photo taken with the Mariner Moose. Mariners players who participated in the Caravan included Mark Lowe, Roy Corcoran, Matt Tuiasosopo, Ryan Feierabend, Jamie Burke, and Tug Hulett. Also joining in the events were Lee Tinsley, Mike Blowers, Norm Charlton, Dave Valle, Rick Rizzs, and Dave Sims.

“The best time I have ever had has been on the Caravan going to hospitals and seeing how you can touch a child’s life. A kid that hasn’t smiled in three months and you walk out of there and the parent tells you it is the first time they have seen their kid smile in three months—it just touches you. It shows you that having the job that you do, you are able to have an effect on other peoples lives and to have that opportunity and not take advantage of it would be kind of selfish.”

Mariners Wives Grab-Bags

On June 19, the Mariners Wives held their annual Grab-Bag fundraiser at Safeco Field. Fans were able to purchase mystery bags, featuring autographed baseballs from members of the 2009 Seattle Mariners. Thanks to all participating fans, $31,000 was raised for Mariners Care, the Seattle Mariners non-profit foundation.

Favorite Things Basket Auction

On August 14, the Mariners Wives showcased and auctioned off baskets containing their husbands’ favorite items. Mariners fans had the chance to bid on these baskets full of music, food, clothing, movies, and many autographed and game-used items. The auction raised $14,000 for Children of the Nations’ “I Love Baseball” program, a local and international agency that provides services for orphaned children in Africa and the Dominican Republic.
**Salute To Armed Forces Night**

On April 18, as part of the Seattle Mariners’ annual Salute to Armed Forces Night at Safeco Field, Mariners Care hosted a special silent auction to benefit the USO (United Services Organizations). The USO is a non-profit organization dedicated to meeting the needs of America’s military personnel who face harm and hardship. Donations were also collected at each gate to benefit the VFW Troop Support Program, which sends care packages to our frontline troops in Iraq and Afghanistan.

**Mariners Care Pepsi Partners**

Five Seattle area restaurants (Ibiza Dinner Club, Sazerac, Las Margaritas, Salty’s Seafood Grills, Duke’s Chowder House) donated a portion of the proceeds from every Pepsi purchased during the baseball season. The program netted $7,500 for Mariners Care.

**Mariners Care Silent Auctions**

Each Saturday home game, the Mariners host Silent Auctions to benefit Mariners Care, the team’s non-profit foundation. Fans have the opportunity to bid on select memorabilia including autographed baseballs, jerseys, game-used bats, and several other unique items. The Silent Auctions, held at Section 128 at Safeco Field, begin when the gates open and conclude at the end of the sixth inning. In 2009, thanks to the support of all participating fans, the Mariners Care Silent Auctions raised $57,323, raising the ten-year total to $851,718.

**Mariners Care Speed Pitch**

Each Mariners home game, fans have the opportunity to test their arms against the Major Leaguers with an official radar gun and help raise money for charity at the Mariners Care Speed Pitch, located in the Bullpen Market of Safeco Field. Thanks to participating Mariners fans, $16,826 was raised in 2009 for the Mariners Care Foundation.

Jackie Robinson Day

On April 15, the Mariners and MLB celebrated Jackie Robinson Day, in honor of the 62nd anniversary of Jackie Robinson breaking the game’s color barrier. As part of Jackie Robinson Day, all Mariners players and coaches wore #42 in his honor and a pre-game ceremony was held featuring Jackie Robinson Foundation scholars.

The Jackie Robinson Foundation is a non-profit organization founded by Rachel Robinson as a vehicle to perpetuate the memory of Jackie Robinson and his achievements and provides educational and leadership development opportunities for minority students with strong capabilities, but limited financial resources.

Mother’s Day – Go To Bat Against Breast Cancer

On Mother’s Day, the Mariners and Major League Baseball once again partnered with Susan G. Komen for the Cure to “Go To Bat Against Breast Cancer.” The league-wide initiative helped to raise funds and awareness for the fight against breast cancer, the second leading cause of cancer deaths in women today. Outfielder Endy Chavez served as the Mariners player representative for the 2009 Mother’s Day initiative.

“For me it is a very important day because if it wasn’t for my mother, I wouldn’t be here. I’ve always been thinking of my mother and if on Mother’s Day I can have a symbol so that she knows that I am representing her, it’s a big deal. A mother is the most important thing that we can have in this life. This is something that we should always have in our thoughts.

I also had a sister that passed on from cancer and I really want to support the cause because I know how we all fought and what we went through. I’d love to add strength to the fight against cancer.”

— Endy Chavez
Father's Day – Prostate Cancer Foundation
Home Run Challenge

MLB, the Seattle Mariners, and the Prostate Cancer Foundation team up each year during Father's Day week for the Prostate Cancer Foundation Home Run Challenge. Each home run hit during the week raises awareness and needed funds to fight prostate cancer, the most commonly diagnosed non-skin cancer in America. Mariners Manager Don Wakamatsu and designated hitter Mike Sweeney served as team representatives for the initiative.

Welcome Back Veterans

In 2009, the Mariners joined Major League Baseball to support Welcome Back Veterans, a series of fundraising and awareness initiatives that address the mental health and job needs of returning American veterans. The Mariners also teamed up with the USO and the VA Puget Sound Health Care System to provide hundreds of tickets for local veterans and their families to attend a game at Safeco Field.

Commissioner’s Initiative For Kids

The Seattle Mariners and Major League Baseball sent kids to the ballpark throughout the 2009 season in support of the Boys & Girls Clubs and other Northwest charities, creating memories that last a lifetime.

The Boys & Girls Clubs of America is the official charity of Major League Baseball. Known as the “Positive Place for Kids,” the Clubs provide character development programs on a daily basis, conducted by full and part-time trained professional staff and volunteers. Since 1997, MLB and B&GCA have established hundreds of new RBI (Reviving Baseball in Inner Cities) and Rookie Leagues and increased exposure for B&GCA through MLB produced print, radio and television public service advertising campaigns. The partnership has resulted in more than $16 million in direct and indirect support for Boys & Girls Clubs of America.

Roberto Clemente Day

Since 1971, Major League Baseball has annually presented an award to recognize a player who combines outstanding skills on the field with devoted work in the community. In 1973, the award was re-named in honor of Roberto Clemente, who died on December 31, 1972, during a humanitarian mission to assist earthquake victims in Nicaragua. In 2002, Major League Baseball created Roberto Clemente Day as a league-wide effort to honor the memory of Roberto Clemente and recognize each Club’s local winner. On September 2, pitcher Miguel Batista was named the Mariners local winner and national nominee for the Roberto Clemente Award.

4•ALS

On July 4, as part of a new charitable campaign, 4•ALS Awareness, Major League Baseball recognized the 70th Anniversary of Lou Gehrig’s memorable speech in an effort to help raise awareness and financial support for organizations leading the fight against ALS (Amyotrophic Lateral Sclerosis), otherwise known as “Lou Gehrig’s Disease.” MLB partnered with four organizations whose primary goal is to find a cure for ALS: The ALS Association, ALS TDI, MDA/Augie’s Quest, and Project ALS.
