

**2007 Major League Baseball All-Star Week
McCovey Cove Watercraft Registration**

The US Coast Guard and SFPD will establish a security zone in McCovey Cove during every All-Star event at AT&T Park July 8th through July 10th. Only human-powered vessels 20 feet and under will be permitted to enter this security zone and all persons and watercraft must consent to search before being permitted to enter the security zone. In order to assure a safe and secure environment in McCovey Cove, the Giants are requesting that all vessels be pre-registered in order to gain entry into the security zone. Please also note that individuals will be prohibited from entering the water directly from the shores of McCovey Cove. The U.S. Coast Guard and the San Francisco Police Department will require that all watercraft launch from the official All-Star launch or via legal access at public launches or private marinas. Detailed information about the official All-Star Game launch will be provided to approved registrants.

IMPORTANT NOTICES

**Any watercraft that are deemed obviously unsafe by the US Coast Guard or SF Police Department will not be allowed entry into the security zone (e.g. inner tubes and pool toys).

**All watercraft are required to have at least one lifejacket for each person on board in addition to a sound producing device (whistle) and a flash light or lantern if operating after sunset.

**Individuals will not be allowed to enter the water directly from the shores of McCovey Cove.

**Individuals must be registered to access the official All-Star Game launch point.

**Due to safety and security concerns, there will be a limited number of approved registrations and access to McCovey Cove may be limited. Watercrafts will be accommodated on a first come, first served basis.

Name: _____

Date of Birth: _____ Driver's License Number _____

Email: _____

Phone: _____
